So at least some of them were located at the arctic scientific establishment in northern Selene, Colman thought

to himself. The other pair of figures were Otto, of Asiatic appearance, and Chester, who was black; the ones shown alone in the remaining two sections of the screen were Gracie, another Oriental, and Smithy, a blond Caucasian with a large moustache and long sideburns. From their ages they were all evidently Founder. Kath introduced each of them in turn without mentioning titles, responsibilities, or where any of them were, and the Terrans didn't ask. "Thank you, sir." It was obviously a softener. Selling drugs, doing drugs, violent just for the thrill of it, mixed up. "I think it will be all right if Kalens gets elected," Terry told them. "He said earlier tonight that if the Chironians have started an army, it's probably a good thing because it'll save us the time and effort of having to show them how. What we need to do is show them we're on their side and get our act together for when the Pagoda shows up." The EAF starship was designed differently from the Mayflower II. To compensate for the forces of acceleration, it took the form of two clusters of slender pyramidal structures that hinged about their apexes to open out and revolve about a central stem like the spokes of a partly open, two stage umbrella, for which reason it had earned itself the nickname of the Flying Pagoda. Terry sipped her drink and looked around the table. "The guy's got it figured realistically. You see, there's no need for a fight. What we have to do is turn them around our way and straighten their thinking out.". Fallows appeared surprised. "I thought it was closed off for another two days. Isn't the Army having an exercise in there or something?". author of the article was probably full of beans, but Leilani figured she'd sleep better if she dozed off. of the darker ravines of her own interior landscape: a glimpse of reckless anger, despair, a brief. "What you need is to join the Circle of Friends.". how far they have gone when the quality of the night abruptly changes, one moment marked by a. Perhaps he had been hasty, and maybe just a little naive, when he and Eve had talked with Lechat, he admitted to himself. He still believed, as he had believed then, that the Terrans would melt quietly into the Chironian scheme in their own time if they were left alone to do so, but it was becoming apparent that not everybody was going to let them alone. He still couldn't see permanent Separatism as the answer either, but for the immediate future he would feel more comfortable at seeing somebody with a level-headed grasp of the situation in control- such as Lechat. On reflection, Pernak regretted his response to Lechat's plea for support. But it was far from too late for him to be able to change that. He didn't know exactly what he could do to help, but he was getting to know many Chironians and to understand a lot about their ways. Surely that knowledge could be put to some useful purpose.
